Ian Fuller attended the OSBA 2022 Fall Conference in Florence, Oregon on the DCB Scholarship that was awarded to him last month. Ian was called to the floor to give us a review of what he learned. Ian presented an awesome review of everything he attended at the conference. Everyone in attendance at this general meeting was very appreciative of all the information he collected at the conference and shared with us. THANK YOU <3, Ian. I think the last time DCB enjoyed an actual report from one of our members attending the OSBA Annual Conference was 2019.

Questions and comments were made on various topics of Ian's report.

The official DCB General Meeting was adjourned at 7:00pm
